

LOOKING FOR HELP

We understand that not everyone is in a position to be able to adopt or foster, but there is another very important way you can help.

For a range of reasons including age, medical issues and because of a traumatic past, these lovely dogs require ongoing treatment, monitoring and experienced care. We still feel however that they deserve a loving home as much as any other dog - which is why we have set up Sponsorship for longterm foster care.

A donation of only £5 a month will go towards looking after these and providing them with their specialist needs as well as helping other equally as deserving dogs. We will also keep you informed of their progress with newsletters twice a year. How about giving sponsorship as a gift!

Don't forget to let us know which dog it is you would like to sponsor - you can do this online!
